Top 100 Greatest Actors of All Time (The Ultimate List)

by ChrisWalczky55 created 14 Nov 2012 | last updated 4 months ago

The actors on this list are ranked according to their lifetime success (awards & nominations), along with their acting skills, versatility and role transformation. To me, accuracy when making a Top 10/Top 100 all time list is extremely important. My lists are not based on my own personal favorites; they are based on the true greatness and/or success of the person, place or thing being ranked. In other words, an actor's commercial success (Box Office & BAFTA Awards), and influential greatness through their acting, skill and role transformation, is how I ranked the actors on this list. If you guys would like to view my other Top 10/Top 100 lists, feel free to check out my YouTube page and/or my IMDb page at "ChrisWalczky55".

Thanks guys and don't forget to LIKE & comment! :)
